

iN·Command® Lite

EDITING THE FLOOR PLAN

Get the app

Download the iN·Command® Lite app to turn your mobile device into the definitive RV Controller.

From the home page, press the **GEAR COG** to enter Settings.

To edit the floor plan, press the **"EDIT"** button.

In the Edit Menu, you can add, remove, reposition, and edit the name of functions.

To add or remove functions, press the **button** next to the function name.

To reposition a function, press and hold the **"≡"** icon. Drag to move to a new location.

Edit and Reset Floor Plan

To edit the name, press on the **FUNCTION TEXT**.

A window to rename will open. Press **"OK"** once finished editing. (Text box is limited to 12 characters)

When all changes have been made, press the **"SAVE"** button.

Restore Default Floor Plan

Press **"RESTORE"** next to 'Load Default Menu'

Push Floor Plan from DC/SP to Mobile Device

Press **"LOAD"** next to 'Load DC Menu'

Push Floor Plan from Mobile Device to DC/SP

Press **"PUSH"** next to 'Push Settings to DC Menu'

Relax, you're
